

Spring, 2020

Dear Friends, Supporters, and Potential Partners,

On Saturday May 16, 2020, we will be hosting the 14th annual Ryan's Run. Ryan's Run is a 5K walk/run through Saratoga State Park, which raises money to fight Malignant Infantile Osteopetrosis (MIOP). MIOP is a genetic bone disease in which the infant's bones cannot properly develop and can be fatal. The current treatments are limited, invasive, and debilitating. Our mission is to support families affected by Malignant Infantile Osteopetrosis (MIOP) and work toward an improved cure.

Your donations directly help families who are facing the financial burden of current treatments for MIOP. Please consider joining our team as we focus on finding a cure.
